- Have 3+ members (not from same entity) that have used your contract and are satisfied. They must be willing to be interviewed and quoted.
- Request a form from your contract manager to be featured and return to your contract manager.
- Be interviewed by Marketing and Client Engagement and your contract manager. MCE will interview contacts.
- Vendor to review article before release.

The article will be published in the Leader's Choice newsletter sent electronically to members and vendors on a monthly basis. The publication is posted on the CP website with a web banner plus a link to the story and distributed by field reps and conference exhibit booth staff.

MEMBER CONTACT LIST

Vendor must:

- display Choice seal on your website home page (or landing page);
- link CP seal on vendor website to vendors page within Choice website; and
- provide proposed marketing material to be used with the list for review.

Marketing and Client Engagement will:

- review the language of your marketing email to reflect vendor status; and
- provide a contact list of members.

Ask your **contract manager** to provide you the **contact request form link** after you complete the three items at top.

ABOUT THIS PARTNER:

Construction Masters of Houston, Inc is a privately owned, mid-size general contracting firm based in Pearland, Texas. Robert Campbell started the company in 1987 with the belief that honesty, integrity and reliability would be the key elements to providing the Greater Houston Area with general contracting and construction management services.

Constructing buildings is a passion of ours and we do not take the responsibility of quality and customer satisfaction lightly. We have dedicated our careers to cultivating relationships, beyond the responsibilities of constructing a building, so that an organization's mission, culture and values are encompassed.

Q 1. What is Choice Partners?

:

A Choice Partners was created by the merger of three Harris County Department of Education procurement cooperatives, Choice Facility Partners, Gulf Coast Food Co-op and HCDE Purchasing Cooperative. Choice Partners is a national cooperative purchasing service with legally procured contracts. Using these contracts streamlines purchasing, saving time and money for governmental organizations and nonprofits. A division of [Harris County Department of Education](#), organizations in Texas that want to use these competitively bid and legally awarded contracts, sign an interlocal, government-to-government contract. Organizations outside Texas may just sign up and follow their state procurement laws.

Q 2. Who is eligible to use Choice Partners?

:

A Schools, colleges, universities, municipalities, counties, state agencies and other governmental entities, and nonprofits may join and use Choice Partners contracts.

Private schools and higher education organizations that operate as nonprofit organizations may also become members.

Q 3. What does it cost to use Choice Partners?

:

A There is **no charge to client members** to join Choice Partners and no charge to use Choice Partners national cooperative contracts; vendor partners pay a small percentage fee back to Choice Partners. This fee is clearly stated in the vendor's contract prior to being executed and this fee is included in all pricing from the vendors to Choice Partners.

Job Order
Contracting
(JOC)

Objectives

Why JOC?

Maintenance vs. Construction

Concepts including Trade JOC & Quoting vs. Bidding

How to Legally Use a CP JOC Contract

Why Does Legal Compliance Matter?

- Different procurement rules apply
 - Contracts not properly procured can be voided or unenforceable
 - Officials and officers who violate procurement statutes can be subject to criminal penalties
- Public works contracts may trigger bonding and prevailing wage requirements
- Legal mistakes can:
 - DELAY projects
 - Jeopardize budgets and result in cost-overruns
 - Subject gov't entity to financial liability to vendors & subcontractors

JOC/IDIQ – Why Job Order Contracting (JOC)

• Time & Materials

If providing **construction services**

- **Only** method allowed to select contractors for future, undefined projects [Texas Education Code 44.031](#)
(a)1-8

JOC/IDIQ – What is JOC/IDIQ Contracting

“A procurement method used for **maintenance, repair, alteration, renovation remediation, or minor construction**” of facilities “when the **work is of a recurring nature**, but the delivery **times, types, and quantities** of work required are **indefinite.**”

TEX. GOV'T CODE § 2269.401

JOC/IDIQ – Maintenance VS. Construction

Factors to Consider

- *Like for like* – NOT new or upgraded
- Scale and complexity of project
- Physical size of object being worked on

JOC contract
(TGC 2269)

Repair &
Maintenance

Maintenance Contract
(TEC 44.031)

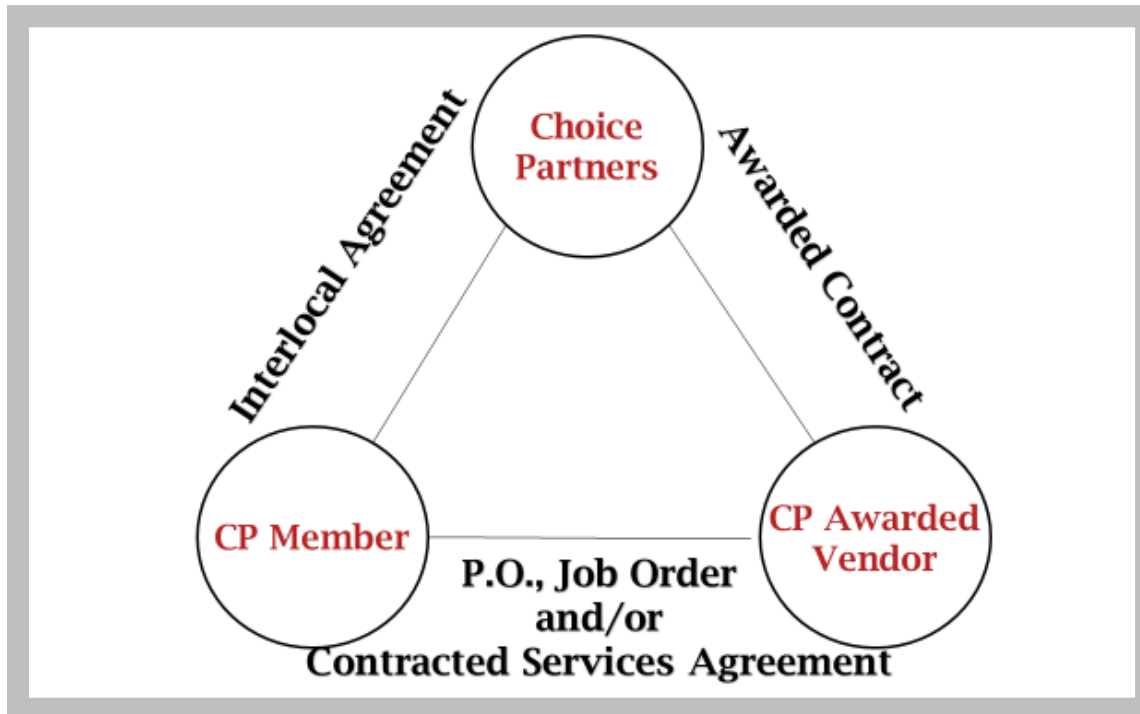

Construction
Services

OSHA Letter to Raymond Knobb (11.18.2003)

WIN, WIN, WIN

JOC's procured by Purchasing Cooperatives

- Gov't Entity selects vendor without having to use its own competitive procurement process
- ONLY satisfies the **procurement** requirement, NOT the **contracting** requirement
- Statute **requires a written and signed** job order between the **vendor and the Gov't Entity** **TGC 2269.410(a)**
- Only construction method that allows for use of a cooperative in lieu of self-procurement
- Only method allowed to select contractors for future, undefined projects or tasks

JOC/IDIQ – What’s an IDIQ/JOC Estimate?

- MUST contain:
 - CP Contract Number
 - Line item assessment based on Unit Price Book (UPB)
 - Localized by applying City Cost Index (CCI)
 - Legally bid coefficient

- Subcontractor pricing must be estimated using the UPB for ALL scope of work

Review the JOC Quote

- CCI location
 - Coefficient
 - O & P Pricing
 - Data release (most recent)
- Non-pre-priced items
 - Attempts to pass-through co-op fee
 - Division 1
 - Adjustment Factors

JOC / IDIQ – The JOB Order

- Owner/Gov't Entity - issued
- Signed by both parties
- States scope of work and price of assigned tasks
- Provides Owner's Adopted Prevailing Wage Rates

JOC / IDIQ – Bidding VS. Quoting

- **BID or PROPOSAL**

vendor's *formal, written, sealed response* that satisfies the state's procurement requirements for a governmental entity.

- **QUOTE**

vendor's *job-specific price in writing* based on their previously bid and awarded contract coefficient and contract specified UPB.

JOC / IDIQ – Final Thoughts

- Establish the procurement method with your client **PRIOR** to quoting the job
- **CP contract number** – put on **BOTH - Quote & P.O.**
- CP needs to receive:
 - (1) confirming copy of each PO issued
 - (2) monthly reporting to CP (completes legal procurement process for your client & keeps them in legal compliance)
